SURGERY BOOKED FOR:

If you have not yet received your surgery date, but have received this package at your clinic appointment, **please hold on to this package and Faith will contact you with a surgery date** and will inform you of preoperative instructions (ie, blood tests, physical, etc) and when they should be completed.

You will be contacted by Kim Hanson at (780) 407-7396 after 1:00 pm the business day prior to surgery for your child's OR time as well as time you must arrive at the hospital.

Children 16 years of age and under must have last solid food, including milk or milk products, candy or chewing gum, 8 hours prior to surgery and then nothing by mouth. Last clear fluids will be three hours prior to surgery and then nothing by mouth.

Your child will be booked for a Pre-Admission Clinic appointment. The Stollery Hospital will contact with that time and date.

If you require any additional information, please contact me directly.

Regards,

Faith Neville
